

I and my family are definitely opposed to the following bills being raised: I am on a fixed income (83 years old) and do not claim elderly tax relief.

H.B. 5429 regarding Housing and zone changes. I pay over \$12,000 in property tax for the privilege of living in Fairfield. By the way, I can only claim \$10,000 of the \$12,000 on my Federal Income Tax.

H.B. 5361 regarding Coastal Resource. I pay over \$12,000 in property tax for the privilege of using our beautiful beaches. By the way, I can only claim \$10,000 of the \$12,000 on my Federal Income Tax.
